

Amendments to the Specification:

Please replace paragraph [0001] with the following amended paragraph:

[0001] This is a national phase application of International Application PCT/PH04/000010, filed October 13, 2004, and claims priority to Philippine Patent Application No. 1-2003-000483, filed October 13, 2003. This invention relates to turbine housings and to power enhancement of prime movers, and in particular to prime movers which harness energy from free flowing fluid. The invention also extends to a method of increasing generated energy of prime movers.
